Annandale Historic District

October 11, 2014 10:00-12:30

Please join us for a walking tour of the Annandale Historic District as part of the *Hunterdon County Tricentennial Celebration*, sponsored by the Clinton Township Historic Preservation Commission. The tour will begin at the Annandale Reformed Church with a talk by Dennis Bertland, Historic Preservation Consultant for Clinton Township.

The presentation will cover the historic significance of the village and highlight several of the architectural features found in the homes and other buildings. A walking tour will follow, and at the conclusion of the tour attendees are invited back to the church for light refreshments and a question and answer period with Mr. Bertland. Please contact Ted Bozzi, Commission Chairman, at clintontwphistory@googlegroups.com for additional information. Reservations are not required and there is no charge to attend.
