Led by heritage educator, Janice Armstrong, the tours will begin at the Society's library and headquarters and last about an hour. Tours will walk to Mine and Park Avenue and Broad Street and cover some interesting local history.

A suggested donation of \$5 per person will benefit the Historical Society. Pre-registration is suggested and can reserve a space, but guests may show that evening to see if they can be accommodated.

The Hunterdon County Historical Society received an operating support re-grant from the Hunterdon County Cultural and Heritage Commission, with funds from the New Jersey Historical Commission, a division of the Department of State.
