

June Photography Exhibit at Prallsville Mills

Part of the celebration activities for Hunterdon County's 300th year anniversary.

This is the perfect destination or break to take when you are walking or biking on the D&R Canal State Park towpath, on the Delaware River Scenic Byway. Bring the family!

The Delaware River Mill Society is hosting an exhibit of historic photographs of Stockton Borough and the historic Prallsville Mills complex in the Saw Mill Gallery from Saturday, June 7 to Saturday, June 28. Exhibit hours are Saturday and Sundays from 1 to 4 PM and weekdays as part of the Mill Society's docent tours, Monday through Thursday 1 to 4 PM. To view the exhibit during docent tour hours please call 609 397 3586. The exhibit is free but donations are greatly appreciated and benefit the Delaware River Mill Society.

The exhibit is a combination of the Stockton Borough's historic photograph collection and historic photographs from the Delaware River Mill Society's exhibit "Hard Times, the story of the great depression and the Prallsville Mills". The "Hard Times" exhibit had been funded by a grant from the Hunterdon County Cultural and Heritage Commission.
