**A "TOUR" OF HUNTERDON'S RURAL HERITAGE  
THROUGH THE ART OF DAN CAMPANELLI**

"Milky Way Farm" in Union Township on  
Route 513 - by Dan Campanelli

Join us for a unique power-point "tour" of some of Hunterdon's most special landmarks as we travel through our rural roads via artist Dan Campanelli's beautiful watercolor paintings.

Narrated by Dan and his wife, Marty, we will hear the history behind some of Hunterdon's most beloved architecture including barns, mills and farmhouses.

Dan and Marty Campanelli are highly regarded historians, having published several books on various aspects of Hunterdon's history.

Most recently, the Campanellis curated an exhibition on New Jersey's most historic samplers at Morven Museum where their companion tome on the subject sold out.
